No Prescriptions, No Drugs, No Side Effects

Powerful, clinically tested pain-relieving Pain Checker™ Gloves with patented carbon technology use body's NATURAL electrical energy conduction to interfere with chronic pain signals.

Relieves and soothes sore, aching joints & muscles without drugs, medications, prescriptions or costly office visits.

Plus, gentle compression and breathable mesh reduce swelling & discomfort 24/7.

Black gloves are made in the USA of nylon/spandex/carbon.

•Gentle Compression Helps Improve Circulation •Published in "Journal Of American Podiatric Medical Association" •Clinically Tested - Safe To Use •Non-Invasive •Lightweight & Comfortable To Wear •Recommended By David Price Former Head Trainer In the National Football League
