Everyday Pain Checker™ sensitivity socks use carbon technology to help reduce aches and discomfort using your body's own healing power. Natural, bioelectric impulses interfere with nagging pain signals to relieve sore, tired feet and arthritis.

- Made with soft, breathable Ultra Spun yarn, these sensitivity socks keep feet dry.
- Padded foot comforts all day or all night.
- Machine washable.
- Polyester/nylon/spandex/carbon.
- These specialty socks are proudly made in the USA.
