Pain Checker Knee Band — interrupt knee pain signals with Pain Checker relief

Blending conductive carbon and non-carbon yarns are believed to generate impulses from your body that reduce knee aches and discomfort. When in contact with the area of knee pain, these natural impulses interfere with pain signals to safely help generate relief. Tested by pro athletes with 80% reporting some pain relief.

Recommended for:
[Knee Pain](#)

Caution: Not recommended for those wearing a pacemaker or for those with fractures, sprains or other medical knee conditions.

Features & Benefits of Pain Checker Knee Band:

- Knee band helps reduce nagging aches and pains using your own body's healing power.
- New technology creates natural impulses to safely ease knee pain.
- Easy-on knee band is lightweight and comfortable to wear.

Other Important Information About Pain Checker Knee Band:

- Determine size by measuring around the knee.
- Material Content: polyester, nylon, carbon, spandex.
- Care: Machine washable. Wash in cold or warm water with fine fabric detergent. Do not use dryer sheets.
- Made in USA.
