**Save! Buy 2 for \$19**

## New technology interferes with pain signals, generating welcome relief

Pain Checker<sup>™</sup> Back Band reduces nagging aches and pains using your own body's healing power. It utilizes a patented "Bio Electric Carbon Technology" that conducts natural electrical energy from the environment and your body. These natural electrical impulses interfere with the body's pain signals, generating welcome relief. Can be used day or night. Clinically tested, drug-free pain relief. Polyester/nylon/spandex/carbon. Machine wash.
